TOP DESTINATIONS

Where are our candidates now?

The Programme is recognised and valued at the top institutions. We work closely with you during and afterwards to ensure you get hired. Discover where our analysts are historically recruited to.

OF FORMER ANALYSTS
SECURED ROLES IN
FINANCE WITHIN 2 YEARS.

The programme overview

Institutions favour our Analysts because of the rigorous, practical training they've received.

Unlike any other Programme available, you operate in 12 specialist roles at the highest level, using the

same technology as real industry professionals.

Each week covers three core areas of finance: Markets, Banking, and Technology, giving you an unrivalled 360-degree experience.

AMPLIFYME

WEEK 1

Asset Management & Hedge Fund Trading

DAY

01

INDUCTION & GLOBAL MACRO

Meet the AmplifyME team and your fellow summer analysts and join the Head of Market Analysis for a global macro session.

DAY

02

TECHNICAL ANALYSIS & LIVE TRADING

Learn and execute your own trading strategies, using live market prices, from idea origination to execution.

DAY

03

ASSET MANAGEMENT

Manage a \$20m global macro, multi-asset fund. From implementing an asset allocation strategy to periodic rebalancing.

DAY

04

ECONOMIC DATA & LIVE TRADING

Learn how to interpret global economic data when trading live markets, from our Head of Market Analysis.

DAY

05

HEDGE FUND TRADING

Run an Equity Long/Short hedge fund. Execute market neutral strategies through US corporate earnings season whilst managing your systematic and unsystematic risk.

WEEK 2

Sales & Trading & Market Making

DAY

01

SALES & TRADING

Operate as an IB Sales Trader and Market Maker as you facilitate multi-asset client flow and manage risk.

DAY

02

COMMODITY TRADING & DERIVATIVES

Trade across crack and calendar box spreads to manage energy price risk through Hurricane Harvey.

DAY

03

QUANTITATIVE TRADING

An introduction to Python programming followed by building a Python algorithm that automates the function of an investment bank market maker.

DAY

04

ADVANCED MARKET MAKING

Make markets in order driven and quote driven products, interact with interdealer brokers and hedge risk with correlated derivative products.

DAY

05

BEHAVIOURAL FINANCE & PSYCHOLOGY / LIVE TRADING COMPETITION

Understand psychology and behavioural finance in practice and how it influences investment and trading decisions, while competing with your fellow analysts in a live trading competition.

Accreditation & recognition

IS THE PROGRAMME RECOGNISED BY THE TOP FINANCIAL INSTITUTIONS?

Yes, upon completion of the Summer Analyst Training Programme, you are awarded a Level 6 Accredited Diploma by the The London Institute of Banking & Finance. This is highly recognised in the industry through our close relationships with many of the world's largest financial firms, who also integrate the AmplifyME simulations in their own training programmes.

IS THIS PROGRAMME JUST ABOUT TRADING?

Not at all. The programme rotates students through different financial roles; from investment banking, to sales trading and market making, to asset management, research, private equity and technology in finance.

SUMMER ANALYST QUALIFICATIONS

Week	Professional qualification framework
1	Level 5 Diploma
2	Level 5 Diploma
3	Level 6 Diploma

DO YOU HELP WITH CAREER DEVELOPMENT/CV?

Yes, we give our undivided attention to help each student make the most of their applications. We help students reflect the AmplifyME Experience on their CV, which often provides much needed practical experience.

"Candidates with AmplifyME's Summer Analyst Training Programme on their CV stand out to the recruitment team here as those who have gone the extra mile to get that rigorous, practical experience. We know they're desk ready, and it sets them apart."

LIZZY WEEKS

Vice President - EMEA Sales, Trading and Research Campus Recruitment

Morgan Stanley

"Valuable, hands-on experience that opened doors."

I selected the program to invest in my future and acquire skills for success in Global Markets. It exceeded my expectations, providing valuable hands-on experience and knowledge, ultimately leading to my upcoming Goldman Sachs internship.

NAIM HASSANI

Global Markets Analyst at Goldman Sachs

Goldman Sachs

OUR COMMITMENT TO YOUR CAREER

Support & mentorship

Our team brings over a decade of expertise to assist both institutions in their recruitment endeavors and students in navigating the application process.

You get access to exclusive, focussed career sessions to help you secure your preferred role quickly.

- **MENTORING SESSIONS**
- **CV REVIEWS**
- **COVER LETTERS**
- **TECHNICAL INTERVIEW PREPARATION**
- **BEHAVIOURAL INTERVIEW PREPARATION**
- **PRESENTATION WORKSHOPS**

Access students Pathways

As soon as your place is reserved, you'll receive exclusive access to AmplifyME's Pathways platform; your personalised hub to explore and prepare for a career in finance.

You'll be able to sign up for live and on-demand simulations in banking, markets and quant, scheduled throughout the year. Each one is designed to sharpen your skills, build your confidence and give you flexible, year-long access to prepare for the career you want.

LIVE AND ON-DEMAND SIMULATIONS

In banking, markets, and quant, repeatable anytime.

PROGRESSIVE PATHWAYS

From beginner to advanced, with new challenges each term.

PERSONALISED DASHBOARD

to book sessions, track progress, and manage your journey.

CAREERS WORKSHOPS AND MASTERCLASSES

with industry experts to boost employability.

LIVE LEADERBOARD

refreshed each term, giving you motivation and visibility.

HIGH POTENTIAL CANDIDATE OPPORTUNITIES

With firms like Morgan Stanley and UBS.

FAQs

CAN YOU OUTLINE THE LEARNING EXPERIENCE AND HOW THE CONTENT IS DELIVERED?

The programme is a mixture of sessions taught by our industry experts and practical simulations covering a number of areas including M&A, Equity Research, Initial Public Offering's, Private Equity, Asset Management, Sales Trading, Market Making, Proprietary Trading, Hedge Fund Trading, Commodity Trading and Quantitative Trading.

ARE THERE PREREQUISITES OR REQUIREMENTS TO ENROL IN THIS PROGRAMME?

There are no prerequisites or requirements to enrol. We teach everything from the

fundamentals of finance. Everything you need to know you will be taught.

IS THIS PROGRAMME DELIVERED ONLINE, IN-PERSON, OR THROUGH A HYBRID MODEL?

The training for this programme is delivered in a live virtual format. This makes it as accessible as possible for learners around the world. We also offer optional, in-person networking events in London.
