Experience Finance.
Discover Your Path

Tried one of our simulations but not ready for the Summer Analyst Training Programme or Finance Bootcamp? Pathways helps you keep building - with hands-on simulations that get progressively harder throughout the term.

It's a flexible, year-long programme designed to sharpen your skills and boost your confidence at your pace.

## FOR JUST £400 FOR YEAR LONG ACCESS, YOU'LL GET:

- **Monthly live simulations** across banking, markets, and quant
- **Beginner, intermediate and advanced pathways** to build confidence and experience
- **New challenges each term** based on real companies and market events
- **Graded, introductory on-demand simulations** to build skills anytime
- A **dashboard** to book, track, and manage your development
- A **live leaderboard** refreshed each term to track your competition
- Weekly **live support** and career resources
- A **certificate** to strengthen your CV and LinkedIn
- A chance to join our **High Potential Candidate community** and gain exclusive access to opportunities and events at firms like Morgan Stanley and UBS

UNIVERSITY OF LEEDS

"Pathways gave me structure, confidence, and helped me secure an internship offer."

STUDENT, UNIVERSITY OF LEEDS

Live And On-demand
Simulations
